ABOUT CAMBRIDGE CURRICULUM

Cambridge wing of the school affiliated with CAMBRIDGE INTERNATIONAL EDUCATION provides Cambridge curriculum encompassing the opportunity for extended learning and helps in developing perspectives that introduces students to both global and local issues through Global perspectives, research, discussion and debates. Being a part of the University of Cambridge, the programme sets the global standard for international education and provide educational benefit through provision of international programmes and qualifications for school education, thereby creating learners who are confident, responsible, reflective, innovative and equipped for success in the modern world.
Learner centric methodology and customized activities cater to cognitive as well as co-scholastic areas with involvement of parents at each step. Cambridge Wing provides a classroom environment that fosters excellence and motivates students towards better performance through requisite infrastructure and application based teaching. The teacher student ratio is 1:30 and individual attention to each student prepares them for the real world, teaching them to value relationships in life and enables them to see themselves as the torchbearers who raise humanity through inspiring projects that unleash creativity in them.
