Empowering Education Embracing Excellence

The school hosts an array of activities aimed at enhancing the creativity of the students and instilling a strong sense of unity and national identity within the community.

The events organized are not just occasions but vibrant celebrations that pulse with excitement and enthusiasm. Each National Day and Festival is embraced with a profound sense of pride and reverence, inculcating a deep sense of appreciation amongst the students for our rich cultural heritage and educating them about the significance of these festivals and their importance in shaping our country's identity. Through extensive activities carefully woven in the school calendar, the students are empowered with the knowledge and skills essential for academic excellence.

This culture of celebration not only uplifts spirits but also reinforces the sense of belonging and camaraderie within the school, creating a supportive environment where everyone is valued and recognized for their unique talents and contributions.

sports competitions organised at school, state, national and international levels. Khel Utsav or Sportsmania is organised to allow children to compete in healthy sports. Friendly Inter House and Inter Class matches are also held.

1. Life Skill Education

The school firmly believes that education must empower the students to face challenges in life, earn a livelihood and develop a positive approach through self introspection, self analysis and self-growth. Topics which promote analytical thinking, bring a positive change in attitude and address social and emotional concerns are discussed with students. Life skills are an integral part of our curriculum and is seamlessly interwoven with the day to day teaching. This is facilitated by the personality development period held weekly with each class.

2. Interdisciplinary Approach - Grooming Quality

In its quest to foster an all round personality, improve upon the quality of life, strengthen character and inculcate sensitivity towards society, the school involves students in various projects, activities and programmes.

(a) Communication Skill Nurturing Programme

Students are expected to have acquired a reasonable degree of language proficiency by the time they leave the school. Keeping in view the need to develop greater confidence and acquire language skills necessary for social and academic purposes, to appreciate and engage students in independent reflection and enquiry, consistent efforts are made to upgrade the level of communication skills. To ensure that students speak English with confidence and fluency, incentives in the form of titles--Ambassador Speaker, Pilot Speaker and Star Speaker in classes Pre-Primary to VIII are given. The school arranges different communication skill classes, clubs, workshops, presentations, Rhetorics, Spell Bee contest for students in all classes especially primary, middle and secondary. Communication Enhancement & ASL are integral part of English Curriculum from Junior to Senior classes. Visit to language labs helps enhance vocabulary, structure in spoken and writing skills.

(b) Spell Bee

The spell-bee is a structured language enrichment activity conducted in our school five times a year. It aims to strengthen students' vocabulary, spelling accuracy and pronunciation skills in a systematic and engaging manner. (This activity is an important part of our academic programme as it fosters linguistic competence and nurtures effective communication skills among students.)

The school conducts spell - bee for classes II TO VIII. Incentives are awarded in the form of gold medal (95% and above), silver medal (90% - 94%) and bronze medal (85% - 89%).
