**STRUCTURE STABILITY CERTIFICATE**

This is to certify that structure of entire existing school building situated at Darbari Lal DAV Model School ND Block Pitampura Delhi-110034 known as DAV Public School under the management of DAV College Managing Committee has been visually personally inspected by me.

The building has framed structure and consists of ground floor, first floor, second floor and third floor.

The entire building is found to be safe with respect to structure in all aspects (dead load/live load/earthquake etc.) and meets the safety requirements as stipulated under clause 18 of Building Bye Laws 1983.

It is also found to be safe under the design loads as per the latest I.S. Codes and is fit to save the structure in the event of Earthquake occurring as per the intensity of this zone (Zone-IV).

It is certified that the building can be used for school purpose.
