### **I to IX CAMBRIDGE**

Dear Parents,

I congratulate you on the success of your ward in the annual examination (2025-26) and promotion to the next class. The success is a culmination of the hard work of the child and motivation of both teachers and parents.

The school and parents share a joint responsibility in the success of the child. This can be possible if we work hand in hand. The parents also play an important role in maintaining emotional stability and stress release. This can be done by engaging the child in meaningful talk and by a friendly attitude. While it is important that we understand the child and be his support, it is also essential that we impress upon the child the need to observe discipline and inculcate human values. Academic excellence and personality development are two sides of the child and will go a long way in determining his/her future and shaping his destiny.

I request you to regularly **browse through the School Website [www.dldavpp.in](http://www.dldavpp.in) and School Diary**. This will enable you to have a better understanding of the school ethos and help you to ensure that your ward is in sync with the institution.

Keeping in view the above, I request you to pay attention to the following points.

1. The new session will commence on **23 March 2026**.
2. **Absence from school without any application/information and without a valid reason or emergency will call for a disciplinary action.** It is mandatory for the child to produce a Medical Certificate and inform the Class Teacher in case of absenteeism for more than 3 days.
3. Parents are not allowed to take away their ward during school timings and no student will be allowed to go back home early after Unit/Periodic Tests.
4. **Students should reach school between 7.40 a.m. to 7.55 a.m. Late coming (after 7.55 a.m.) to school is punishable and students will be sent back home.**
5. Ensure that your ward does not carry excess money, mobile, any electronic gadget or valuable things to the school. Check your ward's bag regularly to ensure the above.
6. Students should be motivated to appear in competitive exams & Olympiads. It will enhance their application and analytical skills and give them good exposure and growth.
7. **In case there is a change in contact address, telephone number or mobile number, you are requested to get that changed and confirm the changed details. Also ensure that your contact number is not blocked.**
8. For any problem or query related to studies or behavior, you may meet school Counsellor or teacher from Monday to Saturday at 2.00 p.m. with prior appointment through class teacher.
9. Attention must be paid to the school circulars, SMS and other information regarding school activities, PTM's, Examination Schedule, School Fees, Holidays, Results, and Assignments etc.
10. **Monthly payment of school fees within the stipulated date i.e. 10<sup>th</sup> of every month through ECS/cheque/online mode must be strictly adhered to.** After due date i.e. 10<sup>th</sup> of every month, a fine of Rs.100/- will be charged and beyond that Rs.150/- upto 10<sup>th</sup> of 2<sup>nd</sup> month and Rs.200/- upto the last day of second month.
11. School bus service, once opted for, cannot be withdrawn in mid-session.

We are proud to announce the introduction of the **IGCSE curriculum (Class IX & X Cambridge)** at our school, marking another significant step towards providing our learners with a globally benchmarked, future-ready education.

I seek your support and cooperation in ensuring a stress free session for the students and success in all endeavours.

Yours sincerely,

**Anupama Sinha**
