Dear Parents,

This is an initiative towards nurturing their curiosity, creativity, and love for learning beyond the classroom.

We are also thrilled to offer your child complimentary access to a rich assortment of **2,000 books** curated specially for leisure reading.

We invite you to unlock the world of stories and inspiration, through **Rashtriya e-Pustakalaya** application— a digital library designed exclusively for children and adolescents. Let's work together to cultivate a lifelong passion for reading in every young mind.

Happy Reading!
