COVID times have been difficult, but your resilience, courage and engagement have brought you to the farewell and the many joys and possibilities that await you in future times. You will always be the most memorable passing out class because together we have explored uncharted waters and for the first time in history, have had to unite to face challenges the world has never known.

Your voice and creativity are very powerful tools, and you can make a difference. Never lose sight of all you can be and the difference you can make in the world. There is hope for a better tomorrow in every one of you because “YOU” are the future.
